‘Normalcy Bias’ is the inclination of the way we humans mentally process information that leads us to disbelieve or minimize threat warnings. It causes us to *underestimate*:

- (a) The likelihood of disasters —‘It’s *not really* going happen to *us*’
 - (b) When a disaster might affect us —‘It’s not going to happen *now*’
 - (c) the potential adverse effects of a disaster —‘It won’t be *that bad*’

1. *Review and Herald*, March 22, 1887

There is nothing that Satan fears so much as that the people of God shall clear the way by removing every hindrance, so that the Lord can pour out his Spirit upon a languishing church and an impenitent congregation. ... When the way is prepared for the Spirit of God, the blessing will come.

2. *Country Living*, page 7, (also on 7T 83)

The ungodly cities of our world are to be swept away by the besom of destruction. In the calamities that are now befalling immense buildings and large portions of cities, God is showing us what will come upon the whole earth.

3. *Christ's Object Lessons*, page 411-412

This is the class that in time of peril are found crying, Peace and safety. They lull their hearts into security, and dream not of danger.

4. *Prophets and Kings*, page 278

God's message for the inhabitants of earth today is, "Be ye also ready: for in such an hour as ye think not the Son of man cometh." Matthew 24:44. The conditions prevailing in society, and especially in the great cities of the nations, proclaim in thunder tones that the hour of God's judgment is come and that the end of all things earthly is at hand. We are standing on the threshold of the crisis of the ages. In quick succession the judgments of God will follow one another—fire, and flood, and earthquake, with war and bloodshed. We are not to be surprised at this time by events both great and decisive; for the angel of mercy cannot remain much longer to shelter the impenitent.

5. *Manuscript 142 1906*

Here before us is one of the fulfillments of prophecy [the 1906 San Francisco earthquake], that before the day of the Lord should come, there should be earthquakes in divers place, and that there should be wars and rumors of wars. And that when these things shall take place, wherever you are, if you are at the top of the house, do not go down through the house, that you may get your luggage and carry it out. That time is right ahead of us. It is only a little way that you are to flee to the mountains, just as fast as you can go. You will not have a chance to pack up your goods at all. So do not accumulate a great amount. It will not pay. The judgments of God are in our world.

6. *Letters and Manuscripts*—Vol. 17, Manuscript 233, 1902

The wrath of God will come upon all cities, upon dwellings, upon large buildings, so suddenly that they who have the slightest intimation have no safety in dallying at all. They are to flee at once.

We are living amid the perils of the last days. The wrath of God is preparing to come upon all the cities—not all at once but one after another. And if the terrible punishment in one city does not cause the inhabitants of other cities to be afraid and seek repentance, their time will come. When the Lord ariseth to shake terribly the earth, He will not cease until His work in punishment is done. The destruction will begin in certain places, and the destruction of life will be sudden and but few will escape. There is not to be given an encouraging thought that the gospel of Jesus Christ will be accepted by the large majority of men prior to His coming again the second time with power and great glory. I am instructed by revelation to say that most solemn and overwhelming judgments are determined upon all people who have the light before them in the Word of God, [but who do not follow it].
